By signing this form, I, the parent/legal guardian for the player mentioned above to hereby state that the following pertains to this player. I understand that by giving false information, the player could loose eligible reserve status and the transfer request could be denied. The following is the reason for my request for a transfer. (Mark the situation that applies to this player)

4.02.A Relocation to a residence more convenient to another club. (Release will only be approved to a Club that practices greater than a five (5) mile radius from the practice site of the previous club.)

4.02.B Transfer from an existing TIFI club to a newly formed Booster Club shall be limited to the biological children and/or step children, and/or children under guardianship of proceeding season TIFI Booster Club Board Members and Coaches with an approved application on file who are in good standing with TIFI.

4.02.C On Conference Equipment issue day, the previous club has no open position on the roster and the child can not be placed.

4.02.D Transfer request due to an undue family hardship. (Request may be approved by a two thirds majority of the Conference Executive Board of Directors. If the Conference Executive Board rejects the request, it can be referred to the Conference Board of Directors for a simple majority vote for approval.)

4.02.E Players who are on a waiting list for another club and wish to transfer to a club with an opening. (An Intent to Return form must be submitted with this transfer if the player wishes to go back to the club the following season.)

If (& when) released from our TIFI Booster Club, we can, based on position availability, register with any TIFI Club of our choice. The only exception is when being released for the intent of registering with a newly formed Booster Club.
